

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **People of MI v Dennis C Yoder**
Docket No. **286707**
L.C. No. **2001-001680 SM**

Henry William Saad, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10),
orders:

The claim of appeal is DISMISSED for lack of jurisdiction because the June 30, 2008 order entered by the district court is not an order that is appealable to this Court. MCR 7.203 does not provide for an appeal of right from a district court order to the Court of Appeals. Further, because this Court did not retain jurisdiction in No. 273435, *People v Dennis Clark Yoder*, the June 30, 2008 order is like any other district court order. Finally, MCR 7.202(6)(b)(iv) is not applicable because the prior appeal was by application for leave to appeal; it was not an appeal of right.
